Cheapest option auto selected

Selected the cheapest nonstop (0-stop) United offer at $705.00 round-trip, under the $1,000 cap. Nonstop options were preferred over the cheaper Frontier $365 fares, which have 1 stop. Other nonstops were Delta $742 and Alaska $775. The search returned this fare for SFO with the same SEA-SFO itinerary encoded in the source link; return-flight details were not selected.
